Campbell County Senior Center

The addition for the Senior Center is progressing nicely. Highland Heights is proud to have had a small part in the Center's expansion. The seniors in this area will be well served by the new programs provided in the expanded facility. It is hoped that these programs will help to fill the health needs of our senior citizens. For more information about these programs call (859) 572-4300 ask for Marsha or Larry.

Volunteer Opportunities

If you have some time that you would like to give to your city to help beautify and invigorate our surroundings, we will have several activities that could use willing hands. Our Public Works Department is refurbishing the nature trail to make it more attractive to all the residents. Help will also be needed for the Civic Center flower gardens to plant annuals and tend to the perennials. If you would like to volunteer contact the City office for details. All help will be appreciated and you will have the opportunity to show some pride in your city.

Clean-up time

Spring is the time to look closely at your property. This is the time of year to clean out the shed, get rid of rusty metal laying in the back yard, or clean your garage. Think of this time of year as a new beginning. Get rid of the places where water sits so that mosquitoes cannot breed in them. This is for your safety and that of your neighbors. Campbell County's Spring Clean-up is March 26th 27th 28th. The junk you have cleared from your property can be taken to the county locations and disposed of easily. If you have paints in liquid form, take the lids off and allow the liquid to dry, replace the lid and they will be accepted for disposal.

F. Y. I.

The finance committee is presently working on the budget for FY 2005. There is hope that the economy will improve, but we are cognizant of the fact that we must live within our budget. There are many demands on our finances and sometimes we are forced because of these constraints, to make unpopular choices.

NKU Foundation has started the development process for the "Thriftway" site by advertising for RFQ (request for qualification). Ground breaking is expected by late 2004 / early 2005.

The City has been awarded a \$25,000 matching grant for Nature Trail improvements.

Remember—The Primary Election is May 18th.

We hope everyone has noticed the new flags at the intersection of US 27 and Sunset Dr.

Pets must be on a leash at all times when not on your property. They should wear an ID tag that identifies their caretaker so they can be returned if lost. Don't forget the *Pooper-Scooper* when walking your pets.

H.H.P.D. accreditation has been re-certified. Cruisers have a new look – Traditional Black & White.
